

Earth Mission Refund Policy

We are grateful for your donation and support of Earth Mission and its projects. Donations are normally non-refundable, but if you have made an error in making your donation or change your mind about contributing to Earth Mission, please contact us. Requests must be made within thirty (30) days of the original donation during the calendar year in which the donation was made. Donors who request refunds will not be eligible for tax deductions on refunded donations. Refunds are returned using the original method of payment.
